## New Pastor Speaks At Harbor Church

Rev. Russell A. Gabler of Costa Mesa, pastor of the newly-organized Harbor Bible Church, 501 E. Lincoln, Wilmington, will preach his initial sermon at 11 a.m. today.

"Practicing the Preeminence of Christ," based on Colossians 1:18, will be sermon topic.

Rev. Gabler accepted the Wilmington call, following his unanimous election to the local pulpit last Sunday. He has served as pastor of the Central Bible Church in Costa Mesa since 1957 following three years' service as pastor of the First Friends Church of Los Angeles. Previous to his duties in Los Angeles, he served as pastor of the Oak Park Christian Church of Savanna, Ill. from May, 1945 to July, 1953.

The Rev. and Mrs. Gabler, both graduates of the Moody Bible Institute in Chicago, met while they were students. They are parents of three children, Grace Marie, 14, Allan Russell, 12, and Daniel Lee, 9 years old.

In 1948, Rev. Gabler received a BA degree from Wheaton College in Illinois. He followed his studies at Wheaton with work at the Theological Seminary of the University of Dubuque, Iowa and was granted the bachelor of divinity degree from Fuller Theological in Pasadena in 1956.

In addition to his duties as pastor of the Wilmington church he will continue as a part time instructor at Biola College in La Mirada.

Harbor Bible Church was recently organized as a merger of the Bay Cities Baptist Church, served by the Rev. Fred McQuade for the past four years, and the Avalon Village Community Church, pastored by the Rev. George Patterson the past nine years.

## 'Evolution' To Be Topic Of Sermon

The basic power behind change and evolution will be explored in all Christian Science churches this Sunday. The Bible Lesson is entitled: "Is the Universe, Including Man, Evolved by Atomic Force?"

Bible references will include this verse: "Behold, I create new heavens and a new earth; and the former shall not be remembered, nor come into mind" (Isa. 65:17).

Among the related readings will be this sentence: "Let there be light," is the perpetual demand of Truth and Love, changing chaos into order and discord into the music of the spheres" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy, p. 255).

## Dr. Morrell to Address Religious Science Church

South Bay Church of Religious Science Affiliated will hear Dr. Morrell discuss "Keys To Successful Living" at 11 a.m. services today.

Services for adults and juniors will be held in the Masonic Temple auditorium, Ruby and Catalina Sts., Redondo Beach. Carl Kludt will be in charge of music and Edward Sawtelle will be organist.

The Women's Group of the Church has suspended weekly meetings for the summer vacation season but will resume in the fall at which time they will plan their annual bazaar and fall rummage sale.

Mrs. Isabelle Hawkins, RSc., RSc.M., of Hermosa Beach and church librarian, who recently completed practitioner training course, participated in graduation ceremonies held by the Institute of Religious Science, Los Angeles, last Sunday at Founder's Church.

E. J. Postinis, RSc.D., president of the Church of Religious Science conferred recognitions and made awards of honorary doctorates in religious science and the humanities to several distinguished guests.

There are no Institute degrees awarded practitioner students, but successful completion of the course is required before application can be made to the Founder's church for a professional Religious Science practitioner's license, according to Mrs. Louise Dixon of the South Bay church.
